Section 1 – Introduction

This directory provides a list of Johns Hopkins Advantage MD (PPO)'s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Other physicians/providers are available in our network.

Out-of-network providers are under no obligation to treat Johns Hopkins Advantage MD (PPO) members, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 1-877-293-5325. Oct. 1 through Mar. 31 - Monday through Sunday, 8 a.m. to 8 p.m. and Apr 1 through Sept. 30 - Monday through Friday, 8 a.m. to 8 p.m. You will need to leave a message on weekends and holidays. TTY users should call 711. You may also refer to your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

If a non-network provider sends you a bill

There may also be times when you get a bill from a provider for the full cost of medical care you received. If that happens, you should not pay the bill, but should submit it to Johns Hopkins Advantage MD (PPO) for processing to determine if you have any liability. We will review that bill and decide whether the services should be covered. If we decide that they should be covered, we will pay the provider directly.

Emergency Care

A medical emergency is when you suddenly feel very sick or have severe pain. If you believe that your health is in serious danger, or you are concerned that you may have experienced serious damage to an organ or part of your body, seek medical care immediately by heading to the nearest hospital emergency room or by dialing 9-1-1 for an ambulance. Some examples of a medical emergency are:

- Major injury such as a broken leg or a large wound
- Heart attack symptoms: severe chest pain, shortness of breath, sweating, and nausea
- Heavy bleeding
- Bleeding during pregnancy
- Major burn
- Unconsciousness
- Difficulty breathing
- Poisoning
- Severe head pain or dizziness

A list of participating network hospitals that provide emergency coverage and post-stabilization care are included in this directory. Emergency services from network providers or from out-of-network providers are covered in your plan.

If you have a non-life threatening emergency, and cannot contact your primary care physician (PCP), please go to your nearest Urgent Care Center.

With Johns Hopkins Advantage MD (PPO) plans, it may cost more to get care from out-of-network providers, except in an emergency or urgent care situation.
